New Action Project Topic: Faculty Assessment Training Program

A. Which specific needs of students, HCC faculty and other employees, and/or HCC external stakeholders would be better met if we pursued an action project in this area?
   – Increase student learning
   – Improve measurement of student learning outcomes

B. Briefly describe what you would like an action project in this area to accomplish.
   – A genuine program of training faculty in practical assessment
   – Promotion of diversity of assessment (fewer Scantrons, more alternatives)

C. Which processes or systems would be impacted by pursuing an action project in this area?
   Helping students learn
   Measuring effectiveness
   Planning continuous improvement

(OVER PLEASE)
D. What specific action project might you propose for this topic?

a. Action Project Name
   Real Assessment

b. Action Project Description

   Faculty would go through extensive training in practical assessment for the classroom.
