New Action Project Topic: Develop fully engaged placement center

A. Which specific needs of students, HCC faculty and other employees, and/or HCC external stakeholders would be better met if we pursued an action project in this area?

- Serving students, serving community, fulfills an ICCB requirement for Student Services (it’s a mandate)
- Serve employees
- Provide value to college experience and the community

B. Briefly describe what you would like an action project in this area to accomplish.

- Make a better match between student and his/her career
- Complete the process that’s begun by the vocational programs – completes the cycle
- Discover if our programs address a need – Are we preparing students for careers where there are jobs?

C. Which processes or systems would be impacted by pursuing an action project in this area?

- Development of courses, funding, Workforce Services, Perkins program, personnel (dedicated full-time position), recruitment, facilities, technology

(OVER PLEASE)
D. What specific action project might you propose for this topic?

a. Action Project Name
   • What you have is a project name

b. Action Project Description
   • Project name is fairly descriptive

Thank you for the Feedback.
