

CHALLENGER LEARNING CENTER

AT HEARTLAND COMMUNITY COLLEGE

CLC VOLUNTEER

Challenger Learning Center seeks a volunteer for a well-rounded experience working in a professional environment. Although Heartland Community College is a higher education institution, Challenger Learning Center's audience is both the education community as well as all members of the public with and interest in STEM (science, technology, engineering and mathematics) and applying important life skills. Working within a 75 mile radius of Bloomington-Normal, the Challenger Learning Center collaborates with schools to provide hands-on, real world interactive educational experiences through simulated space missions. Community Education provides corporate missions for businesses and open enrollment, public programs for adults and youth.

Job Expectations:

- Assist with daily operations of the CLC
- Assist with public programs and/or missions
- Perform other duties as assigned

Qualifications Desired:

- Excellent written and oral communication skills
- Experience working with youth and public
- Prompt and dependable
- Strong interpersonal skills; comfortable working with a variety of team members
- Dynamic, outgoing and positive personality

Compensation: This is a volunteer position

Available Hours: Monday-Friday, 8am-4:30pm, weekends and evenings as needed

Do you require anything other than a resume to screen? Yes, we require an interview with department staff as well as a criminal background check.
