

Radiography academic progression

Grade point average of 2.0 on a 4.0 point scale must be maintained for continuation in the radiography program

The student must earn a “C” or better in all Radiography (RAD) and general courses required in the curriculum for the Associate in Applied Science degree in Radiography

Grading Scale

Grading scale for Heartland Community College Radiography program courses will be as follows:

93-100	A (pass)
84-92.9	B (pass)
75-83.9	C (pass)
Below 75	F (fail)

Final exams for all Radiography courses are comprehensive and the student must receive a passing grade (75%) to pass the course. The final exam of the course is taken only one time.

Students receiving an “F” for any radiography (RAD) course are referred to the Readmission criteria located at <http://www.heartland.edu/rad/admission.html> under how to apply
