Writing and Research Across the College (W/RAC) workshop #5

Grammar and Writing Assignments

Writing Across the College (WAC) invites you to attend a hands-on workshop designed to help you effectively evaluate student writing.

Grading student writing can be frustrating and perplexing. This workshop provides effective strategies for dealing with mechanical and grammar issues in student writing – when you’re not a writing teacher, and it’s not a writing course.

Faculty are encouraged to bring syllabi, assignments, questions, or just bring yourself!

Wed. 11/04/2009  Time: 4:00-5:00 pm  Location: SCB 2401
Thurs. 11/05/2009  Time: 12:30-1:30 pm  Location: SCB 2403

Adjunct faculty are eligible for compensation if they attend.

This workshop is presented in conjunction with the HCC Instructional Development Center.

For more information, please contact Julie Fraser at ext. 8616 or Julie.Fraser@heartland.edu.
