

College **NOW** News for Home Schoolers

Fall 2026

We are excited to have home schoolers explore early college opportunities at Heartland Community College! By attending HCC while they are in high school, home schooled students can:

- Reduce the overall cost of college
- Earn both high school and college credit (dual credit)
- Decrease time to degree completion
- Ease the transition from high school to college/career
- Meet one-on-one with an academic advisor
