

EARLY COLLEGE OPPORTUNITIES

Heartland Community College

Application Instructions ~ for College NOW Students Only ~

NOTE: You do not need to submit the HCC application every year while you are in high school. There is no application fee. You will need to enter your correct birth date, social security number, high school graduation year, and an email address to receive your welcome letter.

Follow these steps to complete the application online:

- Go to: heartland.edu/collegeNow/admission/applyNOW
- Choose I'm not a robot and **Apply Now**
- **Select the following responses as they appear:**
 - ▶ **Take one or more classes** *choose this option for the next options to appear*
 - ▶ I would like to earn HCC credit while I am still in high school.
 - ▶ Choose which option describes how you will select your courses:
 - ▶ By choosing from HCC courses offered through my high school/career center
 - ▶ By choosing from the HCC course catalog on my own and working with a Heartland Academic Advisor
 - ▶ Be sure to select the **correct start term** for the HCC courses you intend to take

You should receive an email confirming that your application was successfully submitted. Heartland will send your welcome letter to the email address entered on your application within three (3) business days after successful application submission. (Check your email spam/junk folder.) Set up your student account using the login information on the letter.

Additional Information

- Find information about placement testing options at heartland.edu/collegeNow/admission/testNEXT
