## IMPORTANT DISCLOSURES

- If you are choosing to take a Heartland course online for the first time, you **must** complete the online course awareness survey **before** enrollment. Log in to [my.heartland.edu](http://my.heartland.edu), choose the IRIS option in the top menu bar, and access the survey on the right, under the Registration Forms section.
- A Heartland Advisor will review your selection(s) and complete your enrollment into appropriate courses within 24-48 hours if there are no issues. We will contact you prior to enrollment only if necessary.
- You will receive email confirmation when enrollment is complete and should also be able to access information related to your enrollment through myHeartland.
