

Admission Process

For HCC Courses Offered through HS Partners
during Academic Year 2021 - 2022

Check with your school counselor for specific details & deadlines.

Heartland Application

There is **no** application fee. You will need to enter your correct birth date, social security number, high school graduation year, and an email address to receive your welcome letter.

To complete the application online:

- Visit heartland.edu/application
- Choose **I'm Ready to Apply Online**.
- Select the following responses as they appear:
 - Take one or more classes.
 - I would like to earn HCC credit while I am still in high school.
 - By choosing from HCC courses offered through my high school/career center.
 - Select the start term for **Fall 2021**

Heartland will send your acceptance letter to the email address entered on your application within three (3) business days *after* successful application submission. (Check your email spam/junk folder.) Set up your *myHeartland* account using the login information in the top-right side of the letter.

Placement Testing

You only need to complete placement testing through Heartland if:

1. you do not have other eligible test scores, such as ACT/PSAT/SAT scores.
2. required for a Heartland course you intend to take through your high school.

You must schedule your appointment 48 hours in advance through *myHeartland* and/or talk to your counselor about submitting other eligible test scores.

To schedule your placement testing appointment:

- Log in to my.heartland.edu using the information from your acceptance letter.
- Choose **Appointments** from the options in the top menu bar.
- Then choose the **Placement Testing** option.
- Select your desired testing location: Normal OR Lincoln OR Pontiac
- Follow the next prompts to finish making your appointment.

***During the COVID-19 pandemic, you may also complete placement testing online by requesting a remote testing voucher here: www.heartland.edu/testing/placement/ACCUPLACER_Voucher_Request.html**

You must request enrollment through your high school counselor if you meet all requirements.
