

Train for a new career in truck driving in just 4 weeks with Heartland Community College. Michael Mize talks about his experience with the HCC truck driver training program:

“I went to Heartland, so it made it easy for me. It’s not just that I’m making a dollar, I haul steel that says USA on the side. I’m part of that chain that moves America.”

Classes are starting in Normal and Pontiac. Ask us about financial assistance. Visit heartland.edu/truck for more information.
