Heartland’s Youth Enrichment Program (YEP) offers morning and afternoon learning adventures for children of all ages. Most classes are one week long, with new ones starting each week from June 10th through August 2nd.

With everything from Cooking to Technology, your kids are sure to find classes that will rock their summer.

Class schedules and online registration are available now. Look for our booklet the week of March 5th!

This summer YEP is offering Before and After care to make your transportation schedule easy.

Sign up for two or more classes in the same week and get free Before/After and Supervised Lunch care.

Scot Smigel, Associate Director in Continuing Ed at Heartland, works on his self-expression in Norman Rockwell style. Of course, self-expression can be through any of the creative and performing arts, and we have a whole section devoted to discovering and improving those skills on page 5.

Whether it’s painting or pottery, music or photography, Heartland is a great place to explore your talents in a supportive environment. What direction will Scot take after his selfie is done? He says he’s taking a ukulele class next semester. “I’m planning to paint a picture on my ukulele of me playing the ukulele, with my picture on that ukulele.” For some guys, a little learning goes a long way.
Enjoy daytime learning opportunities with Continuing Education. Look for this icon indicating our daytime classes.

Multiple Course Discount

Sign up for two or more classes in this booklet and receive a 10% discount on each class. You must register and pay for all the classes at the same time. If you withdraw from a discounted class you will no longer be eligible for the discounted price unless you have at least two classes remaining on your schedule. If we cancel a class you will still be eligible for the discounted price.

* Does not include Work Ready programs, EDventure trips, Professional Development, online classes or classes noted ineligible in the course description.

DAYTIME LEARNING

Life 101

You’re smart. You have a good education. But maybe there are some things about “adulting” that you never got around to learning. If you could use help with some basic skills, check out our new series of courses, Life 101. Whether you take one course or the entire series, these short, practical courses teach you things you need to know to make life a little easier.

Look for classes with the Life 101 symbol in this booklet and in coming booklets.

American History at Hollywood Speed
Gear up for a fascinating guided tour through the past 100 years of American history from a unique Hollywood perspective. Recount major historical events paired with classic movie moments and melodies that will get your toes tappin’. See how Hollywood responded to two world wars, the Great Depression, the turbulent 1960s, surprising presidential elections, and more. This visually-stunning presentation is as entertaining as it is educational.

Making Sense of the News: News Literacy in an Age of Misinformation
As news consumers we’re bombarded with a constant stream of fake news, propaganda, hoaxes, rumors, satire, and advertising that often masquerade as credible journalism. While the public’s faith in the news media erodes, purveyors of misinformation have helped give rise to troubling cultural trends and alarming political movements. Learn the basics of being a savvy news consumer from The Center for News Literacy.

Karla Huffman

HCC ACEC Rm 2210
$10

NEW!  England’s Royal Family
They grace our magazine covers and news headlines. We celebrate their weddings and babies. The American people are obsessed with the royal family. But more than just fodder for tabloids, the modern royal family has an interesting and often troubled past. In this class, learn the family stories, trace the blood lines, and better understand the intrigue and battles for supremacy, tracing back to William the Conqueror, the first king of England.

Ardis Stewart
2977 Sec. A  Tuesday 4/23, 6-9PM
HCC WDC Rm 1403
$35

NEW!  Lincoln’s Assassination
Just days after the end of the Civil War, the nation mourned the loss of one of the country’s greatest presidents, Abraham Lincoln. Find yourself in the year 1865 as you uncover the events that led to that fateful night. Learn about the conspirators involved, what happened at Ford’s Theatre, and the ensuing manhunt. We will also discuss the reaction of the nation to Lincoln’s death and how it affected the North and the South.

HCC WDC Rm 3603
$35

NEW!  A Not-So-Modern Memorial Day
Learn the true story behind the origin of Memorial Day. Originally called Decoration Day, this holiday’s roots reach back to the Civil War. This class examines how thousands of deaths during the war stirred a national movement to honor and memorialize fallen soldiers. Discuss how associations of women sprang up across the South in their own attempts to bring home their lost husbands, fathers, and sons.

**NEW!** **Hootenanny: The Great American Folksong-a-long**
Pick up your instrument or raise your voice to the soundtrack that built America as we recreate the Hootenanny. This combination performance/lecture/sing-along will have you joining in on some of the great songs of American history. You will learn about the influence of the great American folk-song and how this music shaped America. This session’s theme is Sing Out!, the name of the publisher of the popular songbook “Rise Up Singing.” We will choose classic tunes from that songbook to play as a group. Please bring your instrument and/or voice. All skill levels are welcome. Lyric sheets and chord charts will be available for selected songs, but please feel free to bring your own copy of the songbook if you have it on your shelf. Light refreshments will be provided.

NEW Medical Assistant Program

Medical assistant is a growing profession in medical offices, clinics, and medical and diagnostic laboratories where this role is very much in demand.

Medical Assistants:
• Interact with patients every day
• Can be employed in a variety of roles
• Are ready for the workforce after just one year of training

Registration begins in April for credit classes starting in the fall.

For more information: heartland.edu/ma or (309) 268-8740
Pharmacy Technician
As a pharmacy technician, you are a vital link between medical professionals, pharmacists, and patients. Your primary tasks include receiving and verifying prescriptions and preparing a patient’s medication. This program will prepare you for an entry-level position in a hospital, retail setting, or clinic. You will learn to convert between measuring systems, how to calculate dosages, and understand how different medications treat different diseases. After completion of this class, you will be ready to sit for the Pharmacy Technician Certification Exam (PTCE). Registration ends one week prior to the start of class.

Youth Evening Care for Work Ready Students!
Beginning this semester, youth evening care will be available to all students enrolled in evening Continuing Education Work Ready programs, credit classes, and adult education classes.

Youth Evening Care provides supervision, activities and homework help for children ages 5 (and in kindergarten) through 13. Parents must be on campus while their children are participating.

Spring Schedule: January 14-May 17, 2019
• Monday – Thursday
• 5 – 9:30PM
• Cost: $30 per week per child
• Enroll weekly, monthly or for the entire semester.

To register, contact Continuing Education at (309) 268-8160.

Work Ready Program Scholarships
We are pleased to be able to offer financial assistance to Work Ready students through a limited number of scholarships. Go to heartland.edu/continuingEd or contact us at (309) 268-8160 for more information.
EDUCATION

Space & STEM in the Classroom: 3rd-8th Grade Educators
Explore unique ways to get students involved in the world of NASA and STEM. Learn about upcoming missions, space station alerts, social media events, and more. Take away activities and materials to finish out the year, or get a jumpstart on next semester and plan a year of STEM for your students. Materials and light refreshments provided. This workshop is worth 3 PD hours for educators.

**NEW! The Soft Side of Art - Grades 4-8**
Calling artists interested in all things fuzzy, furry, and soft. Have fun practicing various fiber art techniques including stitching, sewing, and weaving. Draw creative inspiration from well-known textile artists and create a needle felted design and your own plushie or stuffed animal.

**Karen Brinker**

**3094 Sec. YA**
Thursdays (6 sessions, does not meet 4/18)
4/4-5/16, 5:30-7PM
HCC WDC Rm 3002
$79 (plus supplies)

**Essential SAT Skills**
Statistics show that test preparation is the key to higher SAT scores. The materials in this program were developed by Cambridge Education Services and are used throughout the country with an extraordinary success rate. At the start of the course, you’ll go through a test simulation to identify areas of improvement and focus. Class lessons include reading, writing, and math, as well as the history/social studies and science skills tested throughout the SAT. We’ll also practice test-taking strategies and provide skill-building exercises to help you improve. Homework includes reinforcement modules and simulated test problems.

**Jennifer Dawson, Ryan Edel**

**2248 Sec. B**
Tue/Thu (6 sessions), 4/16-5/2, 6-8PM
HCC ICN Rm 2302
$189

**Excel Pivot Tables**
Overloaded with data and want a quick way to analyze it? Pivot tables are the answer. Learn how to take advantage of this useful Excel function. Pivot tables allow you to extract significant portions of a large, detailed data set and plot them into a meaningful and concise report. Learn how to structure your data, create and alter pivot tables, add formats and filters, and work with Pivot Charts to enjoy the results you will get.

**Jennifer Flaig**

**2608 Sec. A**
Mon/Wed (2 sessions), 4/22-4/24, 6-7:30PM
HCC WDC Rm 1404
$30

**Excel Dashboards**
Learn to translate complex data into something easily digestible. In this course you will learn the data visualization skills to customize any dashboard in Excel exactly the way you want. When created properly, these powerful dashboards can track KPIs, metrics, and other data points and display them in one centralized place. These skills will boost your productivity and effectiveness.

**Jennifer Flaig**

**2605 Sec. A**
Mon/Wed (2 sessions), 5/20-5/22, 6-8PM
HCC WDC Rm 1405
$35

**NEW! Excel Advanced**
Master Excel in this pro tips and tricks class. Cover more complex features and fully utilize the powerful software at work or home. Topics include: converting pivot tables into reports, using macros to simplify repetitive tasks, analyzing advanced data, auditing and tracing formulas, sharing data with others, and using Excel with other programs. Prerequisite: completion of Excel Intermediate or equivalent.

**Jennifer Dyehouse**

**2943 Sec. A**
Tue/Thu (4 sessions), 4/9-4/18, 6-9PM
HCC WDC Rm 1405
$160 (includes textbook)
Technology

Digital Photography Basics - SLR Cameras
Learn basic techniques to enhance your digital photography skills. Find out how the proper camera settings can improve your results. You will need a digital camera with a fully-charged battery, lens, memory card and user manual. Prerequisite: familiarity with the basic controls of your camera.

Jennifer Flaig
2962 Sec. A  Wednesday, 5/1, 6-9PM
HCC WDC Rm 1405
$25

Social Media Basics
Facebook, Twitter, Instagram, LinkedIn - trying to figure out what social media platform to use and the accompanying terminology can be very confusing. Learn to navigate through the social media maze to determine which platforms are right for your personal use. Take home tips on how to be socially savvy while also being mindful to protect your privacy.

Jennifer Flaig
2962 Sec. A  Wednesday 5/1, 6-9PM
HCC WDC Rm 1405
$160 (includes textbook)

Intro to Microsoft Access
Approach Access with confidence and skill. This course prepares you to create effective reports for work or home using this sophisticated database program. Topics include: designing and building a database, creating and modifying simple data entry forms, filtering data, and using queries and wizard tools.

Jennifer Dyehouse
2940 Sec. A  Tue/Thu (3 sessions), 5/7-5/14, 6-9PM
HCC WDC Rm 1404
$145 (includes textbook)

Java Enterprise Programming
Java Platform Enterprise Edition (Java EE) is the standard in community-driven enterprise software. This class will introduce Java EE programming used in major IT industries. You will also work to create a simple UI app and web service using the Eclipse IDE. It is recommended that you have some familiarity with object oriented programming and Java syntax prior to enrolling.

Paul Bihn
2611 Sec. A  Tue/Thu (4 sessions), 5/14-5/23, 6-9PM
HCC WDC Rm 1405
$110

NEW! Starting Your Own YouTube Channel
Whether you’re interested in boosting your company brand or just looking to build visibility for a personal venture, you will have to go beyond text-based formats to remain on the cutting edge. Video content is a key driver of online traffic. In this class, you will learn the basics of creating and editing video content into presentable, quality material. You’ll also explore how to fine-tune your channel’s content to reach your target audience.

Zach Buckley
3114 Sec. A  Tue/Thu (4 sessions), 5/7-5/16, 6-7:30PM
HCC WDC Rm 3602
$45

Digital Photography Basics - SLR Cameras
Learn basic techniques to enhance your digital photography skills. Find out how the proper camera settings can improve your results. You will need a digital camera with a fully-charged battery, lens, memory card and user manual. Prerequisite: familiarity with the basic controls of your camera.

Jennifer Flaig

Truck Driver Training is coming to Lincoln & Pontiac Centers in 2019!
For more information, call (309) 268-8448.

College Test Prep Strategies
This course will give you the information, strategies, and confidence you need to succeed on your college entrance exams. You’ll learn about the different types of questions and the best tactics for successfully answering them. The workshop includes discussions of test-taking strategies and reviews of English, math, reading and science reasoning skills. You will have the opportunity to take practice tests, but will not sit for the exam in this session. Please register for exams through your high school guidance counselor’s office.

Michelle Ryan
2798 Sec. BL
Mondays (4 sessions), 3/18-4/8, 5-7PM
Heartland Lincoln Center Rm 202
$60

Personal Safety & Self-Defense for Women
Self-defense begins long before an attack happens, and knowing how to protect yourself is an important skill everyone should have. Practice evasive techniques and self-defense skills to build your confidence for responding to or escaping threatening situations. This is a hands-on class, so please wear comfortable clothes and tennis shoes.

Tony Hodge
2930 Sec. AL
Saturday 4/13, 9AM-12PM
Heartland Lincoln Center Rm 208
$35

Canvas Creations
Grab some friends for a fun, memorable night out! Team up with local artist, Kate Sartoris to discover your inner artist and create your own masterpiece in this guided painting class. You’ll leave with your very own original artwork to proudly display. No prior painting experience necessary.

Kate Sartoris
2746 Sec. AP
Wednesday 4/10, 6-8PM
Mill Street Studios Rm 1
$25

4 WAYS TO REGISTER

Online:
Payment must be made by credit/debit card (Visa, MasterCard, Discover or American Express). Visit our website: www.heartland.edu/continuingEd

By Phone:
Call (309) 268-8160
The TDD number is (309) 268-8030. Office hours are 8:00AM - 4:30PM, Monday through Friday. To register by phone you must pay by credit/debit card (MasterCard, Visa, Discover or American Express).

By Mail:
Mail the completed registration form along with full payment to:
Continuing Education
Heartland Community College
1500 W. Raab Rd.
Normal, IL 61761

In Person:
Bring completed form and payment to:
Continuing Education
Workforce Development Center
Suite 2400
Heartland Community College
1500 W. Raab Rd., Normal, IL
Office hours are:
8:00AM - 4:30PM, Monday - Friday

Registration Confirmation
You will receive a confirmation of your registration in the mail. Confirmation will include a course schedule, receipt, map and other information specific to your class(es).

Age Appropriate Guidelines
Unless otherwise stated, these classes are designed for adults ages 18 and over.

Fees
Fees are payable in full at the time of registration. We accept cash, check or credit/debit cards.

Classroom Expectations
We strive to provide excellent learning experiences in our Continuing Education classes. As a result, anyone exhibiting inappropriate behavior or disrespectful language may be dismissed without a refund. Please refer to the HCC Student Conduct policy for details at heartland.edu/conduct.

Full or Canceled Classes
Please make sure we have your current contact information so we can notify you if classes are full or canceled. You may choose alternate classes or receive a refund.

Refund Policy
Unless otherwise stated in the course description, you must drop a class no later than two working days before the first class session to receive a refund. No refunds or class credits will be issued after that time. Payments for course materials, supplies or textbooks are also non-refundable.

Workforce Training Employment Policy
Heartland Community College does not guarantee employment upon completion of instructional programs. Students are responsible for researching relevant employment opportunities prior to registration. No refunds will be provided if a student fails to complete a course, does not pass a certification exam, or is unsuccessful at obtaining employment.

Weather or Emergency Cancellation Policy
If Heartland Community College closes campus due to inclement weather or emergencies, Continuing Education classes will also be canceled. Cancellations will be announced on area radio stations and local TV stations.

Heartland Community College is a tobacco-free and weapons-free campus.

Certified SAFe® Scrum Master and Certified SAFe® Product Owner/Product Manager

These two-day trainings will introduce key components of Agile at scale development and how Scrum is facilitated throughout the enterprise. Successful participants will become Certified SAFe® Scrum Masters (SSM) or Certified SAFe® Product Owners/Product Managers (POPM), increasing their value to teams and organizations that are implementing SAFe.

Upcoming 2019 SAFe Scrum Trainings:

- April 13-14, 2019 - Certified SAFe® Product Owner/Product Manager (POPM)
- May 18-19, 2019 - Certified SAFe® Scrum Master (SSM)

See more at: www.heartland.edu/customizedTraining/training/scrum.

These courses are offered on Saturdays and Sundays from 8:00AM to 4:30PM in the Workforce Development Center (WDC), Room 1006 at our Normal, Illinois campus.

Registration Price: $1,199 (includes training, breakfast and lunch both days, and the certification fee)

Early Registration Discount: Save $200 if you register before Friday at 12PM, two weeks prior to the start date of the course.

Employers: We can enroll your employees in our open-enrollment SSM or POPM trainings or we can set up a customized training exclusively for your staff on a time and day that is most convenient for you.

Discover Heartland. Discover Yourself.

College Credit Registration Dates

**Summer 2019:** March 5 – June 1
**Fall 2019:** April 2 – August 12
