1. **Borrow only what you need**

The maximum amount a student can borrow is based on Heartland's cost of attendance for Summer 2022. Your loan request may be reduced due to the cost of attendance, receipt of other financial aid or prior borrowing for the Fall 2021 and Spring 2022 terms.

*Actual loan amounts you are eligible for are determined by factors such as length of program, cost of attendance, your Expected Family Contribution (EFC), other financial aid you receive, your remaining eligibility under the annual and aggregate limits.

2. **We will award you a subsidized loan if you are eligible.** However, to award your maximum eligibility, some (or all) of your loan may be unsubsidized, and you will be charged interest while in school.

Subsidized: Under the subsidized loan program, the Department of Education pays (subsidizes) the interest while the student is enrolled at least ½ time (6 credit hours). Only those students with demonstrated financial need are eligible for subsidized student loans. **Maximums are \$3,500 for freshmen and \$4,500 for sophomores annually.**

Unsubsidized: Under the unsubsidized loan program, you are responsible for paying the interest during all periods. You can pay the interest while you're in school (or during a period of deferment/forbearance) OR you can allow the interest to accrue (accumulate) and have the interest added to the principal amount of your loan. This is called "capitalization". If you choose this option, it will increase the total amount you have to repay because you will be charged interest on a higher principal amount. **Annual maximums are \$2,000 for dependent student and \$4,000 for independent student with appeal.**

3. **Enrollment information (read and initial) each statement (DO NOT LEAVE BLANK).**
