General Information

The Financial Aid Office at Heartland Community College has established an appeal process for students whose aid has been suspended due to the failure to meet Federal Financial Aid Satisfactory Academic Progress Standards.

Evaluation of Academic Progress

Each financial aid recipient's satisfactory progress is evaluated each semester. At that time, a student will either be in **good standing, warning** or **suspended** status financial assistance for future enrollment periods. Students will be notified by the Financial Aid Office by their myheartland email, if they are placed in denial status for financial aid.

Suspended status prevents a student from receiving **any** Title IV financial assistance until satisfactory academic progress is achieved. Students not meeting Satisfactory Academic Progress may enroll in courses at Heartland Community College. However, the student must pay for all tuition and related fees on his/her own.

The student must meet all three progress requirements to remain in good standing.

- Completion Requirement (67%)
- Grade Point Average (2.0)
- Maximum time frame *separate instructions noted below*

Information for Maximum Time Frame Appeal

Federal regulations limit financial aid eligibility to 150% of the number of credits required to complete a degree, certificate or transfer program. All attempted credits are counted toward this limit, regardless of whether or not financial aid was received. You may be required to file this Petition if you have already earned an Associate or Bachelor's Degree. **If approved, your financial aid will only cover the courses listed by the advisor on your plan of study form. If you take classes not on your plan of study, your financial aid will be suspended.**

If your major is Nursing, Radiography, Physical Therapy, Medical Office Assistant or Engineering, you must be admitted into the program before an appeal can be approved.

Plan of study is not required for the following programs: NURSING, RADIOGRAPHY, PHYSICAL THERAPIST ASSISTANT, MEDICAL OFFICE ASSISTANT.

Appeals will be considered for eligible applicants only if all of the following criteria exist:

1. There are exceptional/unforeseen circumstances that existed preventing the student from meeting the standard(s); AND
2. The student can realistically meet satisfactory academic progress requirements within a reasonable time frame.
3. Official Transcripts from all colleges attended.
4. Submitted all required documents by due date.

Appeal Review

Appeals will be reviewed within 30 days of receipt. Students are required to pay tuition if due. Students must sign up for a payment plan or seek other sources of payment prior to tuition due date. Classes and tuition will not be held or waived pending appeal. Bookstore credit will not be granted until this appeal is approved. Decisions will be communicated to the students HCC email account or mailed to the address on file
