

HALO Exemption Request Form

Students applying to the HALO program are expected meet the minimum program requirements (special education history, reading, math and written language at third grade level or above, ability to participate, emotional stability and between the ages of 18 – 28). Students are also expected to submit a completed application packet including a HALO application, Official High School Transcripts, Junior Year IEP, and Two HALO Recommendation Forms. If you need an Exemption for any of the above-mentioned application materials please complete this request and return it via email to halo@heartland.edu or fax to 309-268-7877.

Student: _____ Best Contact Information: _____

Individual filling out the form (if not the student): _____

Application component in need of an exemption:

- ☐ Official High School Transcript
- ☐ Junior Year IEP
- ☐ Recommendation Form
- ☐ Education Level
- ☐ Age
- ☐ Emotional Stability

Description for need of exemption:

I believe that an exemption to this application component is warranted because:
