**Note to cooperating teacher:** On behalf of Heartland Community College's Early Childhood Program, we want to say thank you for giving our student this opportunity to put theory into practice at your site. You have provided them a valuable opportunity to grow professionally. Randomly, the college instructor may contact field sites to verify the student's experience.

**Note to college student:** Have this filled-in prior to your activity so the cooperating teacher only has to sign and date the form and provide contact information. Your instructor may verify the authenticity of this form. You can scan and submit this completed form through the Blackboard assignment or mail it to your instructor.
