*AP exam credit will be scored as follows: 5 = letter grade A; 4 = letter grade B; 3 = letter grade C. Scores below 3 will not be considered for Nursing admission.

*If a transcript utilized in the application process has a Credit or Pass in lieu of a letter grade for a Priority 2 or 3 class taken after January 2020, HCC will verify that the Credit or Pass equated to a letter grade C. If the Credit or Pass does not meet this standard, that course will not be accepted as passed. This provision shall only be allowed when there is documented evidence this grading policy related to Credit or Pass is in effect. HCC reserves all rights in the determination of utilization of letter grades versus other grading mechanisms.
