

ASSOCIATE IN ARTS or ASSOCIATE IN SCIENCE

60 total credit hours

The A.A. and A.S. are two general degrees that are designed to prepare students to transfer to a 4-year college or university.

The **Illinois Articulation Initiative (IAI)** is a statewide transfer agreement among more than 100 participating colleges and universities in Illinois. Participating IAI colleges/universities agree to accept the “package” of IAI general education courses in lieu of their own comparable lower-division general education requirements. Course-to-course transfer is not guaranteed if you transfer to an IAI college/university before completing the requirements for your A.A. or A.S. at Heartland. For the full list of participating colleges and universities, please visit www.itransfer.org/IAI.

If you plan to transfer to a college/university that is not an IAI participating institution, please be aware that transferability of these general education courses is not guaranteed. Contact your transfer institution as soon as possible to determine the transferability of these courses.

General Education Requirements (37-41 total credit hours required)

COMMUNICATION (9 total credit hours required)

- ENGL 101 (C or higher)
- ENGL 102 (C or higher)
- COMM 101

HUMANITIES AND FINE ARTS (9 total credit hours required)

Humanities

ENGL 111, 112, 113, 114, 231, 232, 241, 242, 254, 255, 270 or 271 or 272 or INTL 272
